Who Are The Secret Society?

A secret society is a club or an organization whose activities, events, inner functioning, or membership are concealed. The society may or may not attempt to conceal its existence.

Secret societies have captured the imagination of the public for centuries. Many of these groups are thought to be ancient, mysterious gatherings of powerful men who get together and tip the balance of world power in their favor.

These organizations, which have developed their own rituals and require membership oaths, exist for numerous reasons and have popped up over the centuries. Not just anyone can be a member of these groups. Many restrict admittance based on gender, religion, or occupation. Some seek power for their members, while others are dedicated to charity. Whatever their purpose, these organizations are thought to have significant influence on the outside world, largely because of the powerful people known to be members.

The Most Powerful Secret Organizations:

- **The Freemasons**

Freemasons are well known worldwide, with an estimated 2 million members -- more than 1 million of whom are in the U.S. The group has included influential figures such as George Washington, Ben Franklin, J. Edgar Hoover, Benedict Arnold, and more.

The Grand Masonic Lodge was created in 1717 when four small groups of lodges joined together. Membership levels were initially first and second degree, but in the 1750s this was expanded to create the third degree which caused a split in the group. When a person reaches the third degree, they are called a Master Mason. Masons conduct their regular meetings in a ritualized style. This includes many references to architectural symbols such as the compass and square. They refer to God as “The Great Architect of the Universe”. The three degrees of Masonry are: 1: Entered Apprentice, this makes you a basic member of the group. 2: Fellow Craft, this is an intermediate degree in which you are meant to develop further knowledge of Masonry. 3: Master Mason, this degree is necessary for participating in most masonic activities. Some rites (such as the Scottish rite) list up to 33 degrees of membership. Masons use signs and handshakes to gain admission to their meetings, as well as to identify themselves to other people who may be Masons.

As an organization, the Freemasons claim to believe in a supreme being, a “grand architect.” But not everyone is convinced that architect is the Christian God. Some even believe it's Satan. It could also be Baal, Baphomet, Dajjal, Rahu, Osiris, some combination of these, or an entirely original conception independent of any other earthly religion.

- The Illuminati

The Illuminati is a name given to several groups, both real and fictitious. Historically, the name usually refers to the Bavarian Illuminati, an Enlightenment-era secret society founded on 1 May 1776 in Bavaria, today part of Germany.

The Illuminati want to bring in a “New World Order”. The New World Order aims to consolidate sovereign nations into a larger nation which will be controlled by an “unknown” group of people. Basically, it is proposed that there is a plan to bring all nations of the world into one- where only one government rule and the same currency used.

We previously talked about the Illuminati bringing about a New World Order where one government will basically rule all. But how are they doing this? This is an important question, as knowing what their end game is and how they want to achieve it, can tell us how to become more aware and in control of the way we choose to live.

It is believed that these puppet masters can manipulate and gain power by creating order out of chaos. Therefore deceiving the public by creating fear, and then putting in place a “solution” that has hidden agendas.

What Do These Secret Organizations Do?

Every summer the “elite” businessmen, politicians, presidents, bankers, and some celebrities and musicians are known to gather at Bohemian Grove, a 160 -acre cabin site in Redwood Forest in Monte Rio California (which is guarded with heavy security) to worship a 30-40 foot owl god they call Molech.

There they gather around a stage that can seat up to 2000 people where they perform elaborate rituals, ceremonies and are also rumored to perform mock sacrifices and engage in sex orgies.

Freemasons and the Illuminati are the same.

Who controls the world? You may have heard of “the Illuminati”, which is associated with conspiracy theorists.

Secret societies are real and very dangerous; they want you to believe they don't exist and will do anything to protect their secrets.

Freemasons have been around for generations and will have you believe they are about love and helping humanity, but the the opposite is true.

New World Order Planned from the beginning:

The secret society plan for New World Order (designed by the freemasons in 1782) is laid out for all to see on the U.S. one dollar bill (added to the U.S. one dollar bill in 1932.)

On the back of the U.S. ONE DOLLAR BILL, "ANNUIT COEPTIS NOVUS ORDO SECLORUM" appears. It's Latin and translates to "A Plot to Undertake by oath, A NEW WORLD ORDER."

NOVUS ORDO SECLORUM is also tattoo'd on many famous people, such as Harry Potter author J.K. Rowling, and translates to NEW ORDER OF THE AGES.

ANNUIT COEPTIS: ANNUIT translates to "winks" and COEPTIS translates to "undertakings" (a formal pledge or promise to do something.)

All freemasons and illuminati members must take a sacred pledge to NEVER speak of what goes on behind closed doors of their secret society.

Many photos of famous people can be found with a finger over their mouth, forming the “shhh” be quiet, or don’t tell image.

In Which Cases The Secret Societies Are Expanded:

It will surprise you that they extend in all cases. Such as,

1. World Politics
2. Government
3. Education
4. Media
5. Celebrities
6. Music and movies

And more...

What Does The Entertainment Industry Have To Do With It?

If I wanted to take over the world, the first place I would start is the MEDIA!

The television and smartphone is a staple device in the hands and houses of millions from all over the world. And technology is not going to stop there. These fat cats have their dirty little paws all over the major media networks and music companies. Therefore they have a significant amount of control over our screens, and in return control over our minds without having to use direct enforcement. It’s pure genius!

When we watch television or listen to music our mind is switched from beta brain waves (an active and logical state of mind) into an alpha state of mind.

This is where the mind becomes more hypnotic and receptive to suggestions and subliminal messages that wouldn't be so receptive in a Beta state of mind.

The entertainment industry plays a key role in distracting and influencing societies opinions while creating social movements and trends. The products from the music and film industry now more than ever are normalizing over-sexualized themes, drugs, and violence.

The Illuminati also strategically place certain symbols, numbers and subliminal messages throughout T.V, film, music and in children's movies that we can't see with the naked eye. The Illuminati also use predictive programming, where they will show you in some way, what they plan on doing before it's done.

Who Are Associated With This Secret Organization?

Hollywood actors, politicians, news reporters, famous musicians, authors and other famous people are freemasons. These people are puppets of "the elite." In exchange for their obedience, they're rewarded with fame and fortune by their masters.

Most freemasons don't know the truth behind the masonic veil they belong to and what the real secrets are.

Lower level freemasons do the bidding of high level freemasons in exchange for fame, fortune and other desires; the sky is the limit if you obey.

Their Future Plans / Depopulation / Coronavirus:

Nothing troubles the secret elite powers quite so much as the world's growing population. Their goal is to reduce this number to a billion—and by any means possible: wars, famine, epidemics, disease and vaccines that make women infertile.

Agenda 21 and Agenda 2030 is the New World Order

Agenda 21 and Agenda 2030 is a plan to Depopulate 95% of the World Population by 2030 and it's happening right now.

Another name for Agenda 21 is “Sustainable Development.” Most people have never heard of this. Start researching Agenda 21 and Agenda 2030.

This post goes into detail on Agenda 21 and Agenda 2030, the New World Order.

COVID-19 is being used as a political cover for the greatest financial collapse in the history of the world.

The lockdown of the population is done to keep people inside and away from each other. If people are away from each other, they can't work together, now can they?

Luckily, many people are waking up to the lies of governments around the world.

Governments around the world have been planning a New World Order, one government, where depopulation is to take place with people living under locked-down conditions.

There is a One World Government planned and that is a fact. Research it. Agenda 21 and Agenda 2030 are not conspiracy theories. The media, who called it a “conspiracy theory” just ten years ago, now acknowledges it, although you don’t see any media outlet making a big deal out of it.

They don’t want you to know what they’re planning. They’re too busy telling us how dangerous covid is.

AGENDA 2030 And Concentration Camps Explained:

Who is overseeing this New World Order? The media hasn’t disclosed that information. Our government hasn’t revealed that information.

If the United Nations spent decades planning Agenda 21 and Agenda 2030 for a New World Order, someone knows who the planners are, but We, the People don’t.

Information has been hidden from people for years. We are only told what they want us to know, via television, movies, radio, etc. (all scripted.)

Who controls the world?

You first need to learn who controls the world and what their hidden agenda is. Then you're going to learn how it all ties to Agenda 21 and Agenda 2030.

A few families control the majority of the world's wealth. The Rothschilds and the Rockefellers are the most powerful families on earth and have been for generations. These families control our banking system and governments.

The Rothschilds have a very long and dark history. They have caused mayhem for centuries. John D Rockefeller came to power when he became an very rich in the oil industry in the 1800s.

John D. Rockefeller (1839-1937)

The Rockefeller and Rothschild families are complete psychopaths with no empathy. Caring only for power, these two families operate many secret societies, along with major corporations around the world we all know. They are also called Illuminati.

How do the Rockefellers and Rothschild families control our world? They manage our monetary system (they control all banks and government.)

Banks and these families rule the world and not governments. By controlling our money and broadcasting lies via the television and media, which they control, they enslave us.

The Rockefellers and Rothschilds are over the banks and the banks are over all governments of the world. Banks create money with no financial backing (illegal) and dictate our policies.

The Rockefeller and Rothschild families, along with their secret societies, are behind every financial crisis in the world, for their benefit.

Agenda Behind The Elite:

The ultimate goal of the Rockefeller and Rothschild families is total control over the entire human race. They want to create a New World Order, a world central government which they control.

- By creating a debt-based economy, they make us into wage slaves. People work from 9 to 5 in depressing environments. There is little stimulation or creative thinking. The sole motivation for going to work is the next paycheck that barely makes ends meet.
- People never have enough money. Corporations pay millions to their CEOs and almost nothing to employees. This is all part of the plan.

- The elite wants to create a central world bank that dictates all global finances. Banks and the elite want to create a single electronic currency that replaces all money. Perhaps you've already seen signs at registers in stores saying, "due to the shortage of coins, exact change only please or use debit or credit cards." NO MORE CASH. They want to track everything and everyone with digital currency
- They want to build a world army and NATO is already starting this. The idea of a world army is to suppress countries that don't follow their agenda (New World Order.)
- They want to create world government ministries. They need a world ministry of oil that takes over all oil corporations.
- A world ministry of health will take over all pharmaceuticals. The World health organization is already that ministry. In this way, they can force us to follow western medicine and control our health (like they already do now.)
- The world ministry of trade will dictate global business and eliminate all corporations.

How They Controls The World:

The elite uses many tricks such as brainwashing and the media to enforce their agendas on us. Their favorite one is the problem-reaction-solution method.

All news is scripted. Television news media lies.

At stage one, they create a problem.

“Global Warming” is a lie to end democracy:

By making us believe in the false theory of global warming, they generate a reaction. Everyone fears the world will collapse if we don't stop overconsuming. In this way, they force policies on the pretext that we need to save the world.

It seems the Agenda 21 program is there to protect humans and the planet, but, in reality, the UN wants to centralize all decision making and depopulate the planet.

They use buzz words like “eco-sustainability” to sound believable and authoritative.

Agenda 21 is a cover story to create a global fascist state where humans have no control. Another disturbing fact about Agenda 21 is the elite wants to remove private properties.

Their Depopulation Plan:

Death By Vaccines: Bill Gates Wants To Kill Us All

One way the elite tries to kill us is through vaccines. There are no scientific studies showing vaccines are safe for humans.

The few studies on “vaccine safety” that exist only compare vaccines against each other and not a placebo. Vaccines are often untested and not safe for humans.

Bill Gates has a patent on the covid vaccine; patent number 060606. Coincidence? Who gets a patent on a vaccine by the way?

Bill Gates is one of the biggest proponents of vaccines. He is also a huge believer in eugenics. Bill Gate's father, William H. Gates Sr., has long been part of Planned Parenthood and also wanted depopulation of the world.

Vaccines are often untested and not safe for humans

Bill Gates purchased 500,000 shares of Monsanto stock in 2010 for \$23 million. It's clear his charity is up to more than "eradicating diseases" and feeding the poor.

Monsanto, by the way, is a very evil company. Do some research on Monsanto

What Bill Gates wants to do is control the world's food supply and reduce the population size. Bill Gates has a direct interest in seeing Monsanto succeed.

For them to kill people, they have to do it in silence. They have to make people believe vaccines are safe, otherwise, the population reduction effort would be met with rebellion.

Fear is used to trick people into doing what they want them to do; enter the covid hoax.

Two ways vaccines can reduce the population:

1. Vaccines cause severe diseases in the distant future. By administering tainted vaccines, they can cut lives short
- 2.They can use vaccines to sterilize people to affect birth rates

You already know a lot about them and their activities. You still have a lot to know. You will find a premium version of this eBook on the Internet.
